

A man and a woman are sitting on a couch in a warm, rustic living room. The woman, on the left, has blonde hair and is wearing a light-colored knit sweater and a patterned scarf. She is looking at the man and gesturing with her hands while holding a white mug. The man, on the right, has dark hair and a beard, and is wearing a dark sweater and a grey scarf. He is looking back at her, also holding a white mug. The background is softly blurred, showing wooden shelves and a warm light source, creating a cozy atmosphere.

My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry.
